

## The Biltmore School

The Biltmore School is one of Miami Dade County's longest operating schools serving the West Miami/Coral Gables community since 1926. The school has been widely recognized for its excellence and we are a fully authorized International Baccalaureate school. I am writing to extend your company an opportunity to support The Biltmore School and continue its legacy to our community.

As a sponsor, you will be helping raise vital funds to enhance and improve the facilities at the school so that the students get the best advantage to learning. With a goal of \$50,000 any amount of contribution will help support our fundraising efforts.

### **Annual Picnic & Exhibition – Saturday, February 9, 2019**

The Biltmore School invites you to our annual picnic and exhibit where our students showcase what they have explored and researched to create their learning exhibitions.
